

Mr. Kelly moved recently so,

There's really no need to take the route over there.

Some delinquents are loiterin' around there too, I heard.

They shouldn't be any trouble but,

I am liable so, don't do anything stupid.

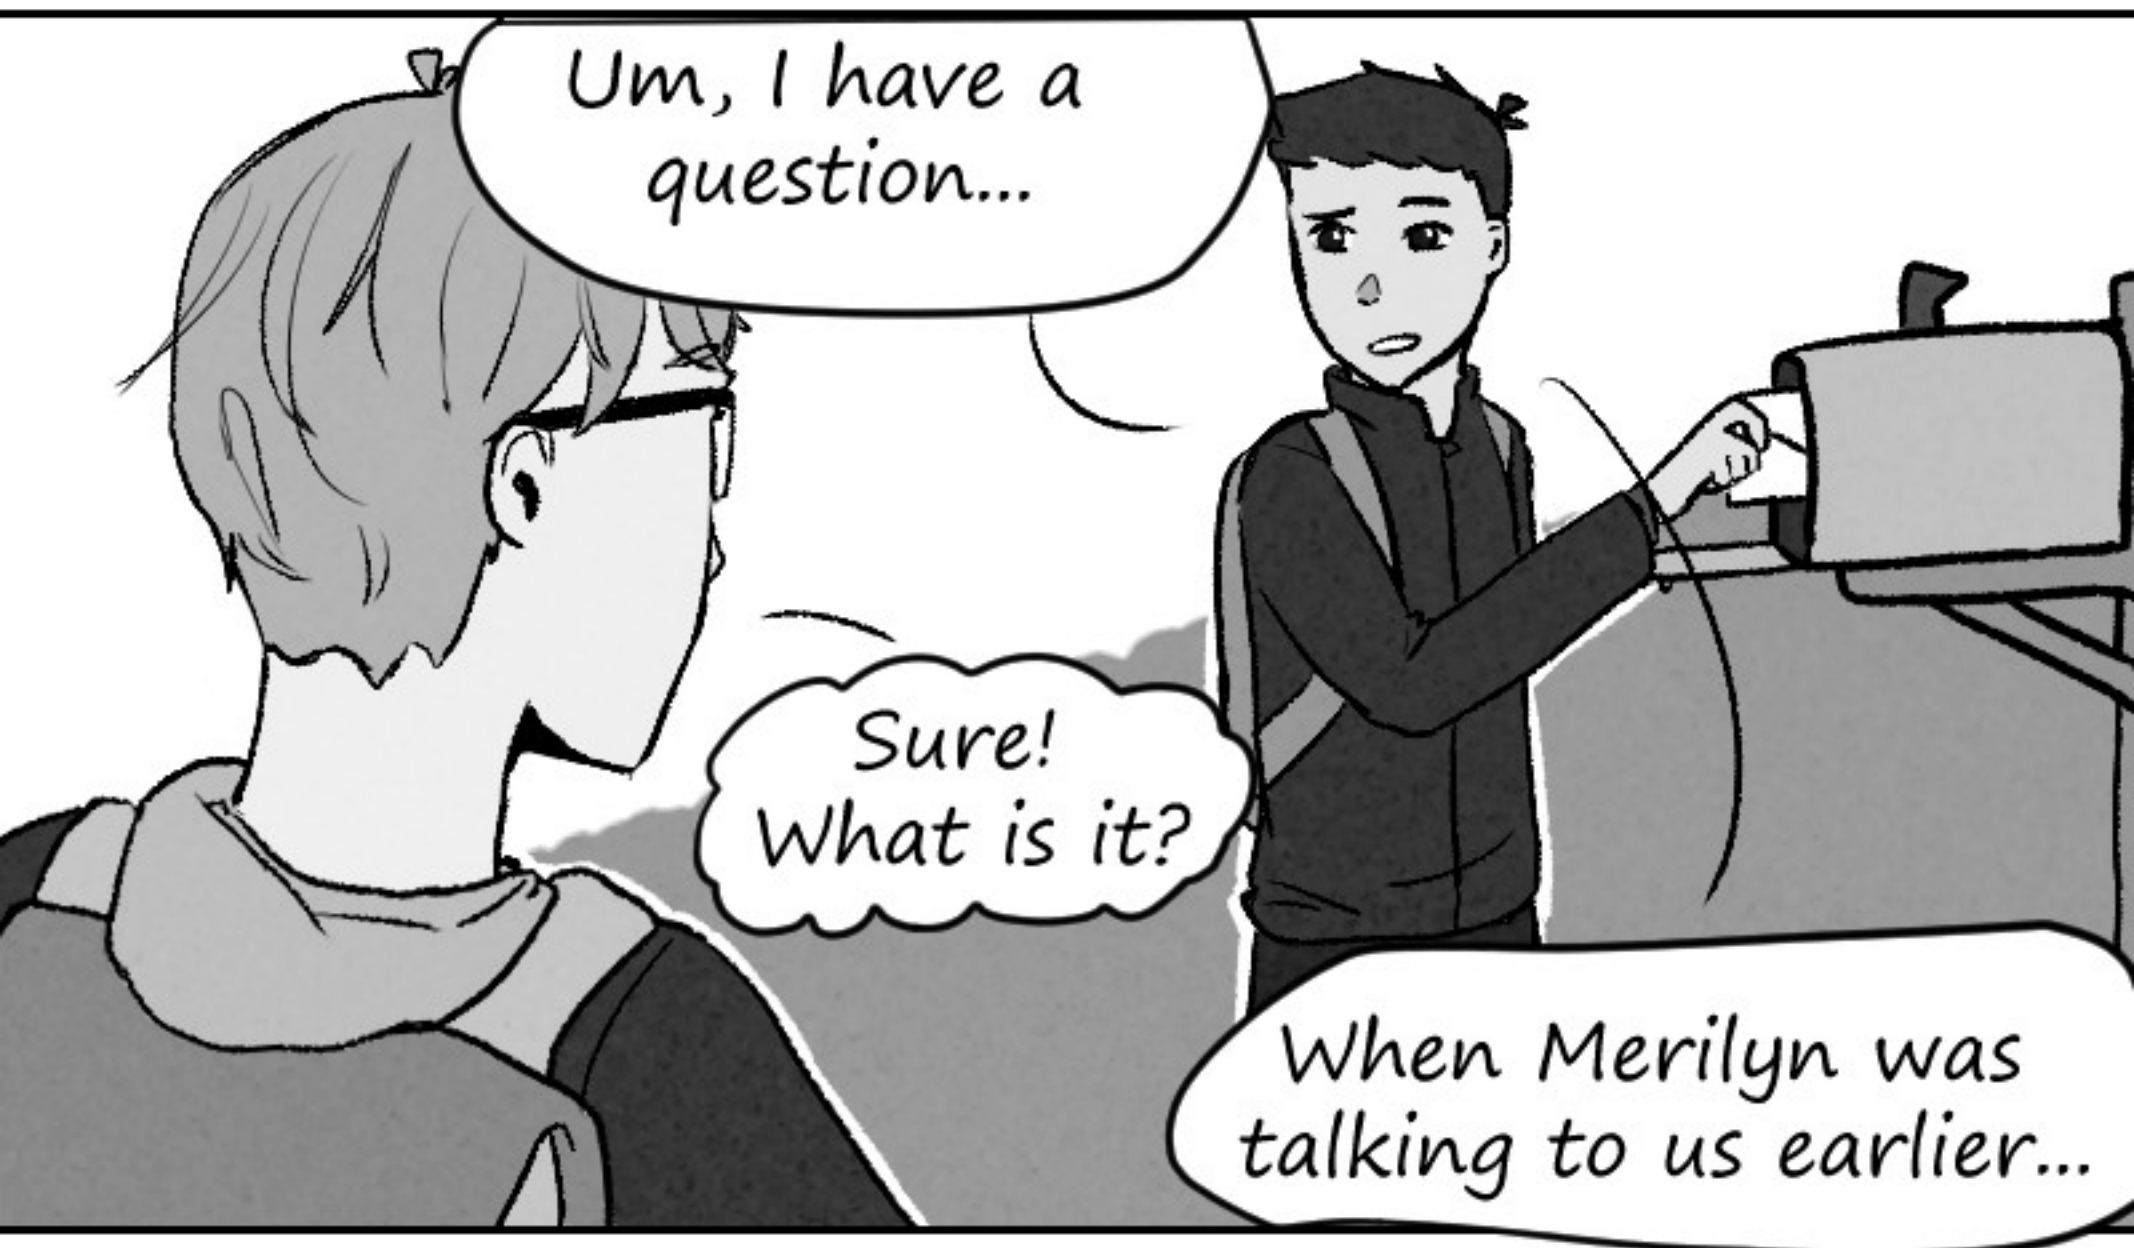

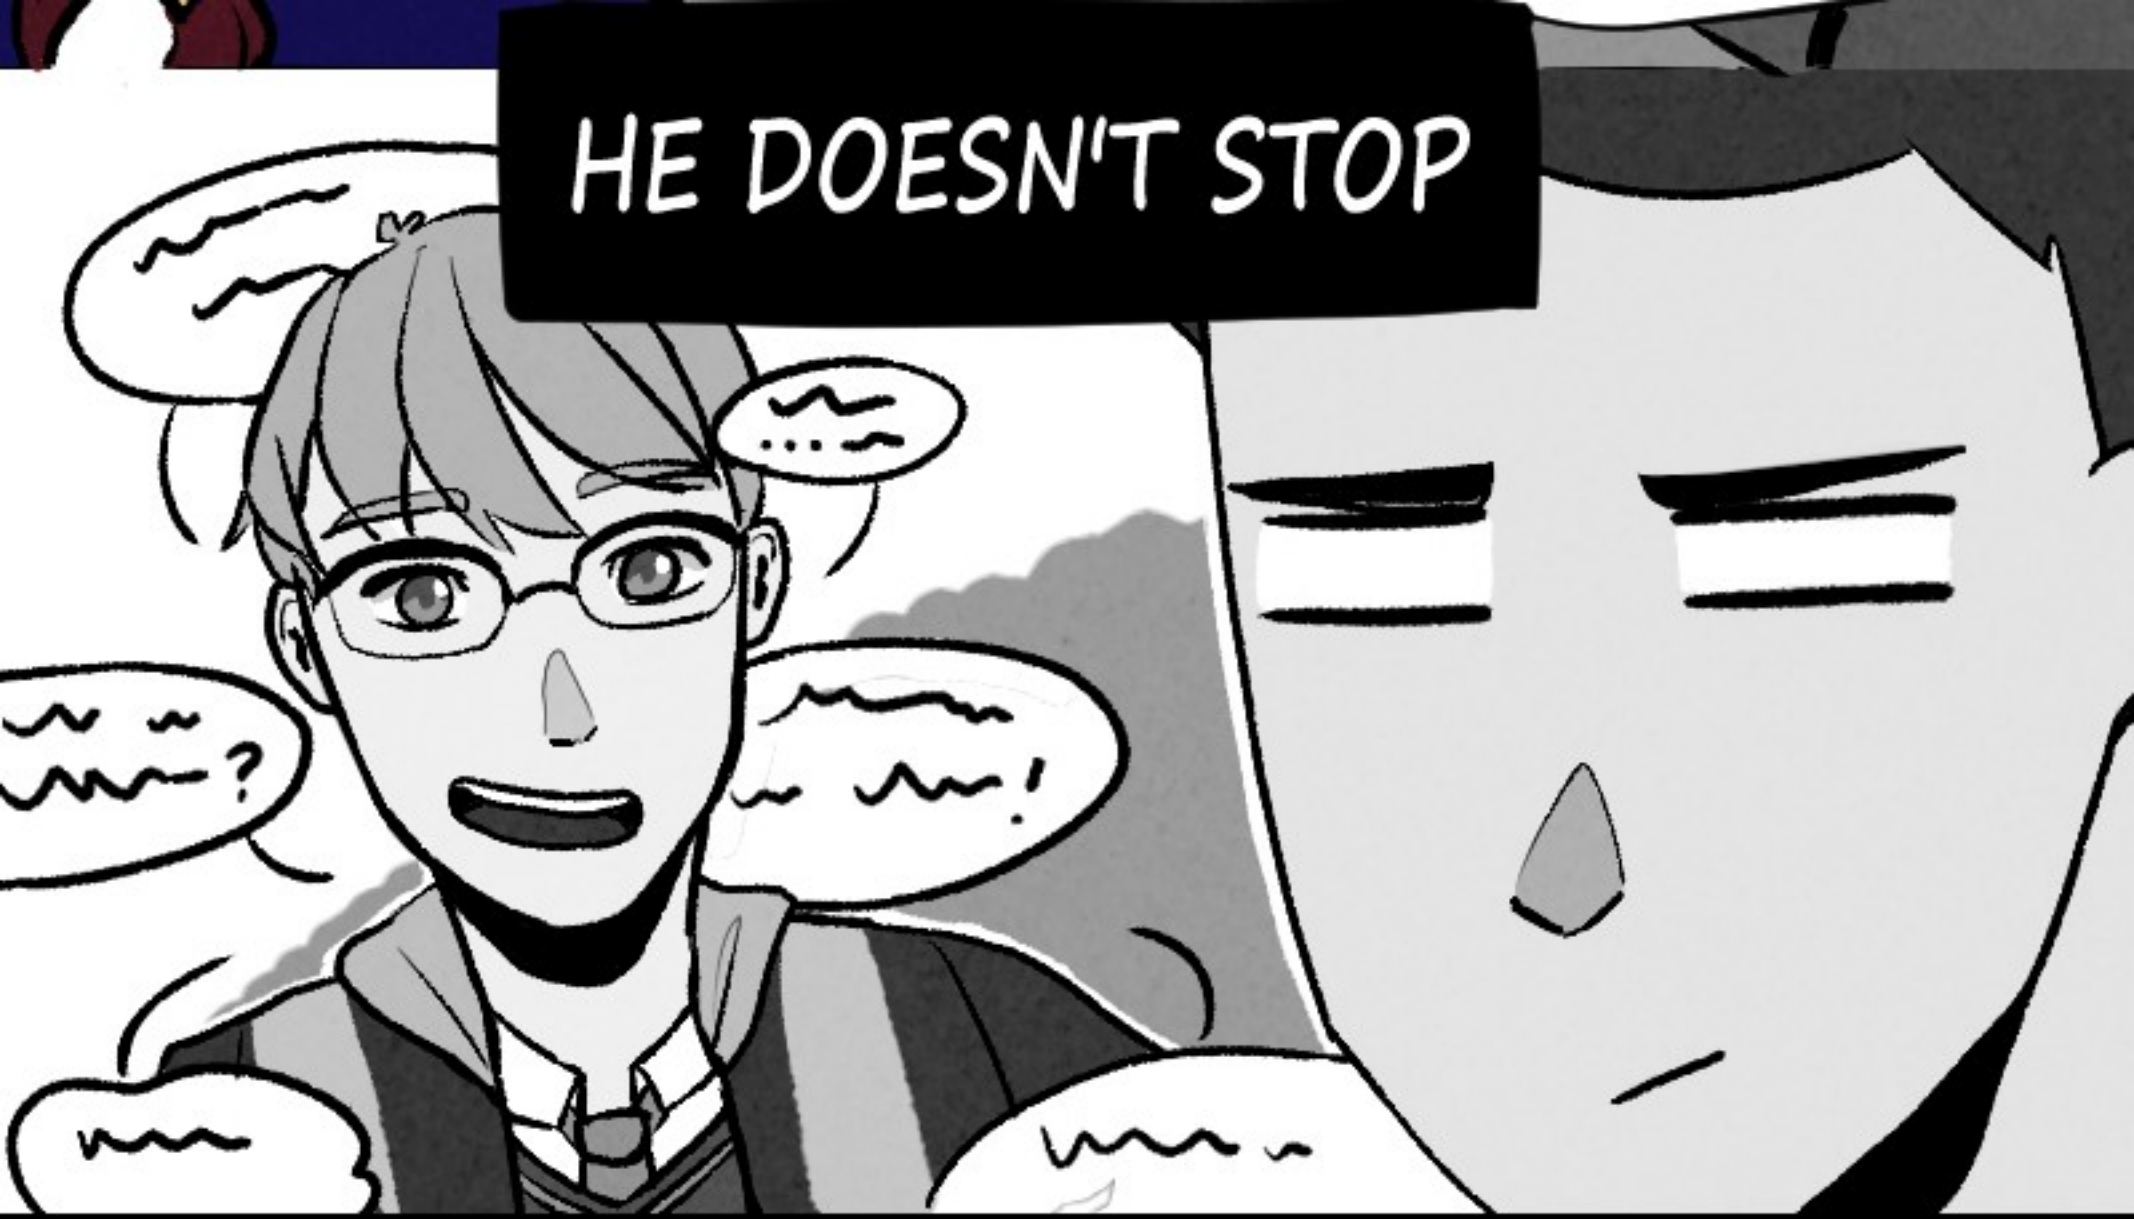

Eshore's pretty cold
huh?

It's spring but it's
still FREEZING!

Summer must be
nice though.

...but sunscreen always gets
in to my eyes....

What's YOUR favorite
season?

YOU HEAR IT
TOO?!

To be honest...

I've been hearing it since
I've arrived at Eshore.

Nobody else seemed
to hear it though...

So I just kind of
kept it to myself.

I guess that
makes sense.

What's wrong?

You scared?
